Love Peach? it's not super strong and overpowering at all. you'll love how creamy it looks, almost like creamy yogurt. it's a bath dessert that you will love moisturizing your skin with! yummy..

apply to all dry areas, don't forget your feet too! made with goats milk. highly recommend. 8 oz jar

also comes in other scents on profile page.

Materials Used:

				goat	s milk,	lotion	base,	fragrance	oils
